FEATURES

- 5mm Copper free mirror.
- PVC film backed.
- Mounting type: Vertically.
- Energy Efficient and Long Lasting LED Lighting.
- 1year Limited Warranty on Electronic Components.

LIGHTING

- LED (Light-Emitting Diode).
- Defogger.
- Bluetooth
- Color Temperature: 2800 & 6000K .
- Power Source: Input: 110volts, 50/60HZ.
- IP44 rated.
- Brightness Lumen: 3280LM
- Power Consumption :48Watts ;
- Energy saving LED lifetime approx 50,000 hours.
- UL certificated for electric power supply, defogger and LED strips.

Available Standard Size

30"x30"
