

## Adjustable Table System - Conversion Electric System

- A flexible component based system for constructing three leg adjustable corner bases
- Components simply bolt together

### Ordering:

- 1 Choose an appropriate Electric Column set from below.  
**Note:** For corner tables please order both a Corner Column set and 3rd leg/brackets sets.
- 2 Choose appropriate Feet and Top Support sets for top depths 24" or 30".
- 3 Choose appropriate Electric J-Channel sets.

## Corner Table Corner Columns and Components

- With 4-settings Programmable Switch
- Height range: 658 – 1138 mm (25 7/8" – 44 7/8"), not including top thickness
- Stroke: 480 mm (18 7/8")
- Travel speed: 38 mm (1 1/2") per second
- Weight rating: 113 kg (250 lbs.) including work surface

Material: Steel, epoxy-coated

Color	Item No.
silver RAL 9006	630.44.253
black RAL 9011	630.44.363

### Supplied With

2 Adjustable columns      Programmable switch  
 Control boxes - 3 port      Wiring and assembly hardware

### Note

Must also order 3rd leg/bracket set below.

### Note

Weight rating is based on:

- An evenly distributed load over table top
- Table base constructed using prescribed components; columns, feet, top supports and J-channels

## 3rd Leg

- With 90° Brackets

Material: Steel, epoxy-coated

Color	Item No.
silver RAL 9006	630.44.270
black RAL 9011	630.44.370

### Supplied With

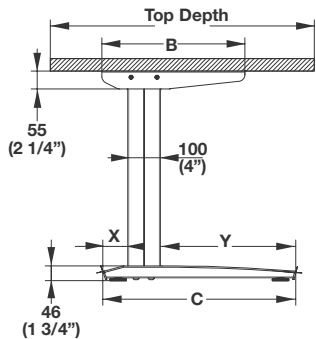

Adjustable column  
 1 L/H and 1 R/H 90° Bracket

Feet and top supports	page 6.50
J-Channels	page 6.50

Dimensions in mm  
 Inches are approximate

Components for Adjustable Table System -  
Conversion

- Feet and Top Supports are for both Hand Crank and Electric bases
- Ordering:**
- 1 Choose Column set.
  - 2 Choose appropriate Feet and Top Support set.
  - 3 Choose appropriate J-Rail set.

Top Depth	B	C	X	Y
24"	17 1/4"	21 3/4"	5 1/4"	12 1/2"
30"	23 1/4"	27 3/4"	5 1/2"	18 1/4"

**Feet and Top Support Set**

- For 24" deep tops

Material: Steel, epoxy-coated

Color	Item No.
silver RAL 9006	630.45.223
black RAL 9011	630.45.323

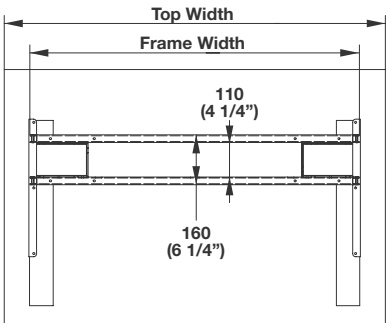

**Feet and Top Support Set**

- For 30" deep tops

Material: Steel, epoxy-coated

Color	Item No.
silver RAL 9006	630.45.224
black RAL 9011	630.45.324

**Supplied With**  
2 Feet  
2 Top Supports

**J-Channel Sets - Electric**

- For Electric Adjustable Columns

Material: Steel, epoxy-coated; Color: black

Recommended Top Width	Actual Base Width	Item No.
48"	994 (39 1/8")	630.44.325
54"	1147 (45 1/8")	630.44.328
60"	1299 (51 1/8")	630.44.326
66"	1452 (57 1/8")	630.44.329
72"	1604 (63 1/8")	630.44.327
78"	1756 (69 1/8")	630.44.330
84"	1909 (75 1/8")	630.44.331

**Supplied With**  
2 J-Channels

**Note**  
Straight tables require 1 set; Corner tables require 2 sets.
