

Step 8. Attach spray head

Attach spray head (A) to spray hose (F).

Step 9. Check spray head

Turn faucet on. Press rocker switch to check if spray head (A) switches modes properly.

Step 10. Flow regulator replacement

This faucet ships with a 1.8 GPM flow restrictor installed. An optional 2.2 GPM flow restrictor is also included in the box.

To switch the flow rate of the faucet:

1. Disassemble the quick connect assembly by separating the connector (1) (Black) and quick connect (2) (White) using an adjustable wrench.
2. Replace 1.8 GPM connector (Black) with the 2.2 GPM connector (White).
3. Reinstall the quick connect assembly.

NOTE: In compliance with CEC standards, this faucet is designed with a 1.8 gpm flow rate. At your discretion, you may modify the product with the included 2.2 gpm restrictor. Please note that doing so will remove the capability of this product to meet specific low-flow standards. Kraus is not liable for any alterations made to the product post-sale, and highly advises that you consult with your local or statewide plumbing enforcement agency prior to any modification.

Replacement Parts

*Denotes faucet component color options:
 SFS - Spot Free Stainless Steel
 MB - Matte Black
 BL - Black
 WH - White

Replacement Parts List	Finish/Color	Part #	Replacement Parts List	Finish/Color	Part #
1A. Aerator		KP26000	10. Escutcheon	SFS,MB*	KP26058
1B. Spray Head	SFS,MB*	KP26001	11. Mounting Hardware		KP26054
2. O-ring		KP26002	12. Washer		KP26053

			20. Filter Washers		KP26060

Trouble-Shooting

If you have followed the instructions carefully and your faucet still does not work properly, take the following corrective steps:

PROBLEM	CAUSE	ACTION
Leakage under the handle	Locking nut has come loose	Remove cap. Loosen set screw with a hex wrench. Remove the handle and unscrew cartridge cover by hand. Tighten locking nut with an adjustable wrench.
Water will not shut off completely	Cartridge may be defective	Remove cap. Loosen set screw with a hex wrench. Remove the handle and unscrew cartridge cover by hand. Unscrew the locking nut with an adjustable wrench. Remove ceramic disc cartridge. Check for cracks.
Leaking between spray head and hose.	Spray head may be loose, or washer may not be seated correctly in hose	Tighten spray head by hand until snug. Make sure washer is seated correctly.
The water pressure is low.	EZ-Connect (21) may be clogged with debris	Remove EZ-Connect from supply hose and spray hose. Soak quick connect in vinegar & warm water 50/50 solution for 5 - 10 minutes.
Hose does not retract	Weight may be installed incorrectly	Readjust weight on hose.

Care & Maintenance

To keep the product clean & shining, follow the steps below:

1. Rinse with clean water & dry with a soft cloth
2. Do not clean with soaps, acid, polish, abrasives or harsh cleaners
3. Do not use cloth with a coarse surface
4. Unscrew the aerator and clean when necessary

Codes/Standards Applicable:

ASME A112.18.1
1.8GPM 6.8L/min maximum

FAUCET WARRANTY

Kraus products are manufactured and tested to the highest quality standards by Kraus USA Inc. ("Kraus").

Kraus extends this warranty to the original purchaser for personal household use of the "Faucet" in its original location. The warranty is non-transferable.

Kraus warrants the structure and finish of the product to be free from defects in material and workmanship under normal usage for the lifetime of the product. The warranty commences from the initial date of purchase by the owner or trade professional, from an authorized Kraus dealer, through the lifetime of the original owner or end-user.

Kraus warrants the mechanical components such as but not limited to sprayhead assembly (includes engine, aerators, structure, restrictors, back flow preventers, sprayer hoses, braided supply line hoses which encompasses nylon, silicon and stainless steel, etc) of the product to be free from defects in material and workmanship under normal usage for a period of one (1) year. The warranty commences from the initial date of purchase by the owner or trade professional, from an authorized Kraus dealer, through the one (1) year term of the original owner or end-user.

Kraus warrants the mechanical component (cartridge) of the product to be free from defects in material and workmanship under normal usage for a period of five (5) years. The warranty commences from the initial date of purchase by the owner or trade professional, from an authorized Kraus dealer, through the five (5) year term of the original owner or end-user.

Any product reported to the authorized dealer or to Kraus as being defective within the warranty period will be repaired or replaced with a product of equal value at the option of Kraus. This warranty extends to the original owner or end-user, and is not transferable to a subsequent owner.

RESTRICTIONS

This warranty does not cover antediluvian, discontinued, or display products, whether such items are purchased at discount outlets, unauthorized dealers, and/or sold on clearance.

This warranty does not cover instances of negligence, misuse, abuse, improper installation, carelessness, accident, hard water or mineral deposits, exposure to corrosive materials, misapplication, damages caused by improper maintenance, alteration of the product, or failure to follow care or installation instructions enclosed with your product. Avoid using abrasive cleaners such as powders, bleach, ammonia, alcohol, or chlorine. Avoid using abrasive pads, steel wool, or wire brushes, as these will damage and wear down the finish.

This warranty does not apply to Products that have not been installed or operated in accordance with instructions supplied by Kraus and all applicable rules, regulations, and legislation pertaining to such installations.

This warranty does not apply unless the Kraus product is installed by a fully insured and licensed trade professional. Kraus insists that such professionals have experience in the installation of bathroom and kitchen manufactured goods.

This warranty does not cover labor charges or costs of removal and reinstallation of said product. This warranty does not allow recovery of incidental or consequential damages, such as loss of use, delay, property damage, or other consequential damages, and Kraus accepts no liability for such damages.

This warranty does not cover Marine or Outdoor Installation.
