

ASSEMBLY INSTRUCTIONS CUCINA GRANDE

HARDWARE FOR ASSEMBLY

4 EA.  1/4"X1" PHILLIPS HEAD
MACHINE SCREW

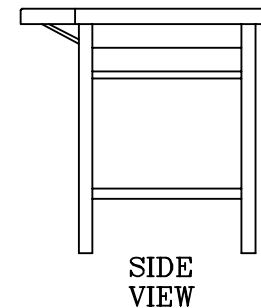

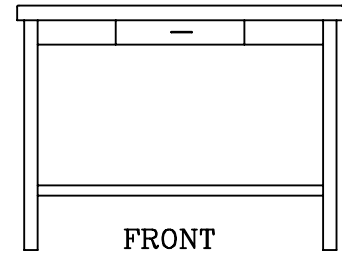

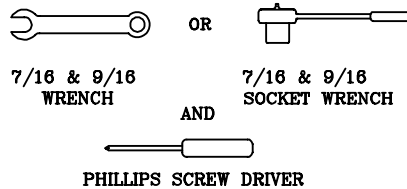

4 EA.  1/4" FLAT WASHER

8 EA.  3/8" FLAT WASHER

4 EA.  3/8" NUTS

4 EA.  LARGE FLOOR GLIDE

TOOLS REQUIRED

- PARTS: (1) Top w/ apron
(4) Legs
(1) Perforated lower shelf
(2) 1" dia. tubes

CAUTION: Make certain assistance is available when setting table upright to avoid injury to yourself or the table.

- INSTRUCTIONS:**
- (1) Remove all contents of box making sure assembly area is flat and clean.
 - (2) Place top face down on a rug, carton, or other protected surface.
 - (3) Attach each of four legs to the metal brackets at each corner. Start one 3/8 nut with 2 washers on each 3/8 stud. Position tube in upper portion of leg where hole provided and then slide into leg opposite. Do not completely tighten legs at this time.
(Note: Position legs so shelf mounting holes in lower portion of the leg is facing in along the table's length.)
 - (4) Position shelf upside down between legs and start one 1/4"x1" machine screw with washer at each hole. Do not tighten completely at this time.
 - (5) Now go back and tighten leg nuts and shelf bolts securely. Do not over tighten.
 - (6) Take your floor glides and screw into the insert in the bottom of the leg.
 - (7) Turn table right side up. Your new Cucina Grande is now ready for use. ENJOY!

Be sure to follow the maintenance and care guidelines on the enclosed sheet for your new John Boos product.
