

STAINLESS STEEL

COUNTER TOP EDGE CHEF TABLES

Model Above Shown with Center Bar & Optional Casters

FEATURES:

Top is furnished with a 2" x 1" square die embossed NO-DRIP countertop edge with a 1/2" return on 4 sides.

To reinforce and maintain a level working surface, 24" wide tables are supplied with TWO hat channels and 30" wide tables are supplied with THREE hat channels.

Rear Bar Models have front to back leg braces bolted to legs and requires assembly. Rear bar is welded to legs.

Center Bar Models have front to back Leg braces welded to legs. Center bar bolts to legs and requires assembly.

Under Shelf Models have aluminum die cast "leg-to-shelf" clamp to secure shelf to leg eliminating unsightly nuts & bolts.

Shelf can be adjusted to desired height.

Under shelf is adjustable.

CONSTRUCTION:

All TIG welded. Exposed weld areas polished to match adjacent surfaces.

Entire top mechanically polished to a satin finish.

Top is sound deadened.

Roll formed embossed galvanized hat channels are secured to top by means of structural adhesive and weld studs.

Gussets welded to support hat sections.
